Interested in earning the most prestigious credential in the financial planning industry, the CFP® Certification? Our CFP Certification Professional Education Program is the best in the industry. Our state of the art online classroom brings the classroom to your home or office and our high pass-rate puts you on the path to pass the CFP Certification examination on your first try.

### Why choose the College's CFP Certification Professional Education Program?

- Our cumulative pass-rate on the CFP® certification examination is 86%. This unmatched among major providers.
- We created CFP® certification and have graduated more than 65,000 students from our program since 1972.
- Our 6-course program is more affordable and convenient than similar 7-course programs.
- Graduates of our AAMS®, AWMA®, APMA®, CMFC®, CRPC®, and CRPS®, programs qualify to test out of up to 1/3 of our CFP® Professional Education Program.
- CFP® certificants report an average earnings increase of 18% as well as increased job satisfaction and more clients.
- The entire program is graduate-level and credits can directly apply toward our Master of Science Degree Program in Personal Financial Planning.

### Let us help you become one of the nation's top financial advisors.

Interested in additional offerings like Continuing Education, CFP® Certification Examination Reviews, Code of Ethics, or even a Master of Science Degree? We have you covered. Learn more about any of our offerings at [cffpinfo.com](http://cffpinfo.com).

We offer discount agreements with over 100 financial firms and organizations. Contact the College at 1-800-237-9990 to inquire about your own firm and affiliations.

In addition to potential corporate discount, ThinkAdvisor readers receive an additional discount that can be used in conjunction with these special pricing discounts.
