

The Pension Fund To Do List

**February 18, 2010
at 2:00 pm EST**

Featured Speaker:

Don Ezra- Co-chairman global consulting, Russell Investments

The financial turbulence of recent years has created a new landscape for pension funds. Increasing public and stakeholder concern about investment practices is forcing companies to come to terms with a much broader set of interests and expectations. Russell will offer insights on the development of a prudent and robust investment decision-making process that will help executives position their pension fund for long-term success.
